Augmentation Colloquium: When Flows Are Low?

Lisa Atkins, Moderator CAWCD
Chuck Cullom - CAWCD
Candice Hasenyager - Utah DWR
Sandy Kerl - SDCWA
Devon Upadhyay - MWD
Greg Walch - SNWA

CRWUA
December 11, 2019
The River serves 7 States in the U.S. and 2 States in Mexico
• ~40 million rely on the River
• ~5 million acres of irrigation
• Environmental values - parklands in U.S. + Mexico
• Significant hydropower production
• Vulnerable to droughts/climate change
Colorado River Challenges – Growing Gap Between Supply & Demands (CRBS 2012)
